HOSPITALITY CAREER PATHWAYS EMPLOYER

For over 10 years, I have been the Human Resources Director of the Holiday Inn Toronto International Airport: a city-centric hotel with a comfortable and familiar atmosphere. The Ready To Work: Hospitality Career Pathways program has proven to be one of our greatest success stories in the recruitment process.

The candidates who have completed this program are hospitality ready and are trained to industry standards. The candidates have a wide range of knowledge, skills and certifications including National merit Workplace Essentials, Service Excellence, Food Safety, Smart Serve and WHMIS. Many of the graduates have also received workplace training through the program.

The program coordinators and facilitators have been exceptional to work with. They seamlessly bridge the gap between the needs of the candidates and the needs of the employer. They listen to our feedback.

We have hired many candidates from the Ready to Work: Hospitality Career Pathways program. The candidates have turned into valuable team members at Holiday Inn with career goals in our industry.

The Ready to Work: Hospitality Career Pathways program has provided us candidates who have exceeded our expectations. We look forward to a long relationship with the program.
