

Program Components:

- Orientation to the human resources sector in Canada
- Effective job search strategies: market research techniques, resume development, interview skills, networking and targeting your job search to companies that need your specific skills and experience
- Develop sector-specific workplace skills with training delivered by Sheridan College in Health and Safety Legislation, Employment Law, Diversity in the Workplace and Canadian Industrial Relations
- Enhance your writing skills for email, reports, proposals and memos through our specialized document editing services
- Receive ongoing coaching and support to further enhance your communication skills once you are in the workplace
- Connect with employers in the human resources field

Human Resources Connections is funded by the Government of Ontario and delivered in partnership with Sheridan College, OTEC and supported by HRP.

Connecting
International Talent
with Canada's Human
Resources Sector
