Welcome to: Engaging the Francophone Visitor

This program has been strategically divided into 3 modules. Each module is comprised of 2 parts; a webinar which guides you through the concepts; and a toolkit which acts as a reference for additional information. Prior to launching each webinar please open the corresponding toolkit to follow along. This will enhance your understanding, retention of information, and overall learning experience.

Click the icons below to launch the **webinar** and **toolkit** for each of the topics. You will notice 2 additional buttons in the bottom left-hand corner of the screen; the Common French Phrases toolkit and the Bienvenue Survey. The Common French Phrases toolkit contains French language training that will enhance your communication abilities and will be further described in Module 2.
