

Intensive Leadership Training Series

Coaching for Excellence

Instructor-led. Virtual and in-person options.

Effective leaders know that coaching is a two-way conversation.

This comprehensive, interactive workshop provides leaders with practical job coaching skills to help their team members realize their potential. Designed for leaders looking to build high-functioning teams, this workshop will help you build your hands-on skills coaching principles, including how to leverage “just in time” coaching and deliver constructive feedback.

LEARN HOW TO:

1. Define and discuss best practices in coaching
2. Identify the difference between coaching and performance management
3. Understand how to deliver timely, bite-size coaching using a five-step process
4. Develop a tangible coaching plan that you can leverage within your team

SESSION DETAILS:
