

Accelerated Leadership Training Series

FREE Leadership Training for Your Team

OTEC's new Accelerated Leadership Training series is designed for tourism and hospitality sector managers and leaders seeking to improve their managerial skills, build their people skills, and advance their careers. This training series is FREE for Ontario tourism and hospitality sector leaders.

Featuring four unique leadership courses, OTEC's training focuses on developing the skills leaders and managers need to build, lead, and grow effective teams.

DESIGNED FOR:

- Managers, supervisors, team leaders, and high-potential employees on an advancement track
- Owner-managers
- Full-time, part-time, and contract employees

Take advantage of this FREE training opportunity. Contact us at SFSTraining@OTEC.org

Offered in partnership with Social Development Research Corporation, OTEC's Accelerated Leadership Training aligns with Canada's national Skills for Success (SFS) Model and addresses today's evolving labour market needs.

COURSES NOW OPEN FOR REGISTRATION

Effective Communications: Build the communications skills you need to foster effective workplace interactions and increase positive outcomes with staff and clients.
