

Accelerated Leadership Training Series

Coaching for Results

FREE Leadership Training for Your Team

Good leaders know that coaching should always be a conversation.

OTEC's **Coaching for Results equips tourism and hospitality leaders with the knowledge to be effective coaches, incorporate coaching into training programs and daily interactions, and empower people to realize their full potential.**

COURSE DETAILS:

- 45-minute self-directed and flexible eLearning module
- 90-minute virtual coaching session to help leaders apply new skills at work
- Instruction by certified, experienced trainers and industry-leading coaches
- Certificate of completion

Take advantage of this FREE training opportunity. Contact us at SFSTraining@OTEC.org

WHO SHOULD ATTEND:

- Managers, supervisors, team leads, and high-potential employees on an advancement track
- Owner-managers
- Full-time, part-time, and contract employees

PARTICIPATING LEADERS WILL LEARN TO:

1. Define and communicate the benefits of effective coaching
2. Identify the difference between coaching and performance management
3. Harness and implement a five-step process for effective coaching
4. Design workplace training plans that incorporate coaching and set teams up for success

SESSION HIGHLIGHTS:

- **Flexible e-learning format** – do it on your own time
- **Master the key skills** you need to communicate effectively
- Practice your skills and **receive feedback** through instructor-led coaching sessions
- **FREE** for tourism and hospitality leaders in Ontario
